

Scholarship Foundation

The Susan E. Stutz-McDonald Scholarship Foundation has been established to provide scholarships to female students studying environmental engineering at various universities.

April 3, 2017

Ladies and Gentlemen:

We hope you can join us at the 12th Annual Susan E. Stutz-McDonald Scholarship Foundation Golf Tournament on May 12, 2017 at the Boundary Oak Golf Course in Walnut Creek, California.

Once again this year, our tournament is a fundraiser for the Susan E. Stutz-McDonald Scholarship Foundation. Through the generous donations from our tournament last year and other donations made to date, we have given 30 scholarships to deserving women at Oregon State University, University of Michigan, New Mexico State University, UCLA, Illinois-Urbana-Champaign, Columbia University, Stanford, Texas A&M, Kingsville, George Mason University, University of Texas, Georgia Tech, University of Nevada, and Carnegie Mellon University. Our scholarships to these women total over \$150,000. In 2016, we endowed scholarships at the University of Tennessee—Susan's Alma Mater, and the Society of Women Engineers, each scholarship at \$5,000 minimum per academic year.

If you or your company would like to make a cash donation, please fill out the attached form and mail it with your check to the address below. Please include your address so we can send you a receipt for your donation.

If you have any questions or need additional information regarding this event, please contact Rene Kubicka at 925-932-1710.

Sincerely,
Ken Wilkins

Ken Wilkins
Tournament Chairman
